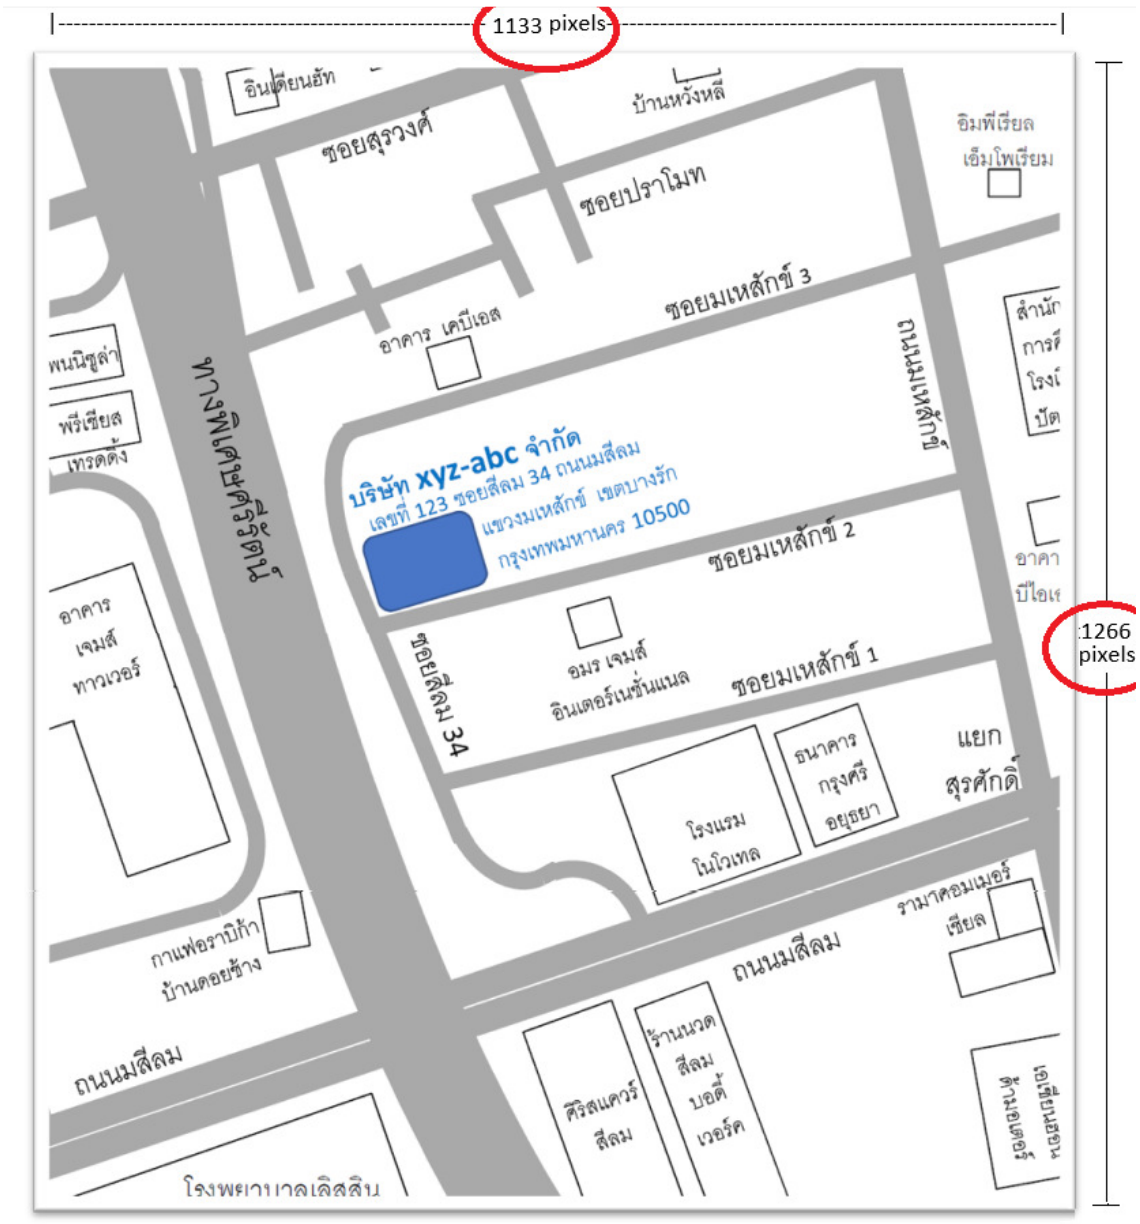
LOCAL MAP of your Company's Address/Location:


The location map may be a copy from a hand-drawn but not copied from an online map tool such as Google Map as they may or may not be accepted by the officials on duty. Please make sure it is at the absolute close-up details with as many landmarks as possible and effective for someone to walk along and find the premises. The map is to be in Thai. We may be able to create this for you if required. Ideal size: 1133x1266 pixels (W x H)
